

Getting there

Whether with public transport or by car – this is how to get to the top.

Getting to the mountain by tram and bus is easy: take tram no. 2 from Freiburg to the final stop in Günterstal and then bus no. 21 directly to the Lower Station. It only takes 20 minutes from Bertoldsbrunnen – then you can take the cable car to the top. Paid parking for cars is available at the Lower Station (daily flat rate €2.00). Free coach parking is available in parking lot P3.
