Information for coach tour operators

The Schauinslandbahn cable car is an attractive excursion destination. In order to make arriving and departing as easy as possible for coach drivers, we have compiled all the information they could need here. We recommend that you notify us of your visit in advance, so that we can provide you with up-to-date information.

Lower station

How to get there

When arriving by coach, please note that the maximum clearance height of the Günterstal Gate ("Günterstäler Tor") is 3.60 m.

High-decker coaches

Coaches with overheight cannot pass through the Günterstal gate. Vouchers for public transport can be issued. Please contact us at an early stage: tel. +49 761 4511-777

Drop-off

Coach drivers can drop off their passengers on the rear bus platform at the turning circle directly at the lower station. The bus should then leave the turning circle immediately so as not to obstruct scheduled traffic.

Parking

Park your coach in the car park **P3** below the junction of Schauinslandstraße (L124)/Bohrerstraße.

Pick-up

Coach drivers can pick up their passengers at the turning circle. Please ask your passengers to call you before they begin their descent. Note: the descent takes about 20 minutes.
