

# Experience more – by far! Information about using the Schauinslandbahn

Dear Passengers,

We're delighted to be able to welcome you again. We have put quite a few rules together to ensure your visit is safe and to protect you against coronavirus infection. Some of these are about behaving responsibly towards one another.

- Waiting areas with sufficient distancing have been marked out in the buildings.
- There are no 3G rules and no maximum number of passengers per cabin at this time.
- Every passenger must wear a mouth and nose protection (FFP2, KN95, N95 or comparable) – including children at or over the age of 6.
- Our buildings and cabins are being cleaned according to the strict regulations governing public transport.
- Our staff have been trained in hygiene and are committed to upholding hygiene rules.
- All of the hygiene rules are explained clearly on-site.

If you have any questions, you can contact us at any time on [info@schauinslandbahn.de](mailto:info@schauinslandbahn.de) or by phone on +49 (0)761 4511-777.

We'll gladly help.
